A painting of a woman with long dark hair, wearing sunglasses, a light blue sleeveless top, and a red skirt. She is walking and carrying a black bag. The background consists of horizontal stripes of orange and dark green, with a large, dark, abstract shape behind her.

*“I think I would classify my work as  
pop – expressionism, if that is  
possible.*

*I like street poetry and intimate  
stories.*

*Anything that smells like  
disenchantment and disillusion  
attracts me  
and if it is done with humor much  
better.*
